NUMBER 41

MEMORIAL DAY PROGRAM TO HONOR SOLDIER DEAD

Line of March Will Form at
Two O'Clock at the
Grade School

Antioch organizations, headed by the American Legion post, today were making preparations for the observance of Memorial day next Wednesday. Antioch stores will close at noon and will remain closed until late afternoon, allowing all who choose to attend the program in honor of the soldier dead.

The program starts promptly at two o'clock p.m. daylight saving time, and will be under the direction of A. Maplethorpe, past American Legion Post commander, who is marshal of the day. Walter H. H. Jensen, present commander of the post, who is also a member of the firing squad, has named Dr. G. W. Jensen as master of ceremony to be in charge of the program at the cemetery.

Veterans in Line of March
Places of honor in the line of march will be given to Adison J. Felter, Antioch's last remaining veteran of the civil war, and also to John N. Pachl and Joe Keller, Spanish-American war veterans, followed by the Antioch Legion Post.

The address of the day will be delivered by a speaker to be sent here by Lake Forest College. Maplethorpe announced today, but the name of the speaker could not be learned.

The parade will be formed at the grade school building from whence it will proceed to Hillside cemetery where the program will take place. In the line of march will be: Colors, Allendale band, Firing Squad, Civil War Veterans, Spanish-American War Veterans, American Legion Post, Daughters of the G. A. R., Legion Auxiliary, School Children, and the Antioch Fire Department.

Program at Cemetery
The program at the cemetery will include:

Prayer by Rev. L. V. Sitter, acting chaplain.
Music by Allendale Band.
Flower Ceremony, directed by D. G. A. R.
Address:
Star Spangled Banner.
Benediction, Father Flaherty.
Salute by Firing Squad.
Taps, by Post Bugler.

Two Firing Squads in District
The Firing Squad of the local American Legion post is one of the two such organizations in the 8th district, it was revealed by Legion men there this week. The Libertyville Post also has a firing squad. The local squad was organized five years ago and the present captain is Archie Maplethorpe, former post commander. The eight members are: Ray Webb, Walter H. H. Jensen, Mike Whited, William White, Ray Winfield, Alonzo Rundquist, and John Moran.

A salute, such as will be fired here Memorial day, is three volleys, each volley being fired simultaneously by members of the squad.

LIBRARY NOTICE
The public library located in the Grade School building is to be open Wednesday evenings, starting next week, to accommodate summer visitors, according to Miss Mary Stanley, librarian.

Library hours are Tuesday and Friday afternoons, 3 to 5 o'clock; Wednesday evenings, 7 to 9 o'clock. A new sign has been hung recently on the south side of the old grade school building.

A number of new books have been donated to the library by a friend of Miss Mary Stanley; further information concerning these will be given later.

Sister-in-Law of Mrs. Sanborn Dies

Word was received by Mrs. Jenifer Sanborn, Antioch, of the sudden death of her sister-in-law, Mrs. H. W. Sanborn, of Lake Geneva. Her death was attributed to heart trouble.

Second Firemen's Convention To Be Impressive Affair

Libertyville Is Host; To
Crown Popularity
Fire Queen

Extensive plans for one of the greatest Firemen's Conventions ever held in this district have been completed, according to James Stearns, local Fire Chief and a member of the Reception Committee for the Convention. The annual event will be held at Libertyville next Monday, May 28.

One of the features of the day will be the crowning of the Fire Queen, Miss Bessie Miller of Libertyville, who last night was declared winner of the Lake County popularity contest conducted to raise funds for the Lake Co. Firemen's Association. She received 350,000 votes in the contest. The queen and her ladies-in-waiting, Mary Panek, Rosette Lester, Edna Rouse and Lucille Snow, will be in the reviewing stand during the parade.

Antioch First Host

Antioch was proud to have the honor of being host at the First Annual Convention held last May. Because of the definite success of the undertaking last year, it was decided to establish the Convention as an annual event.

All firemen, city officials and guests have been asked to register at the Libertyville Fire Station during the day. The program is scheduled to begin at 12 noon sharp, Daylight Saving Time, with a test run into Libertyville by the various departments, an exciting though orderly enactment of the actions performed in the drama of extinguishing a real fire.

The general schedule for the rest of the day follows:

12:15 to 12:45—Inspection of all trucks by judges on S. Milwaukee Avenue.

1:00 p.m. Parade, including police escort, bands, Fire Queen, officials, fire apparatus, firemen and floats.

2:00 p.m. Demonstration by the Antioch Fire Department.

2:15 p.m. Selections by the High

(Continued on page eight)

Adison Felter Looks Forward to 67th Memorial Day Observance

Adison J. Felter, Antioch township's sole surviving veteran of the civil war, will see his 67th Memorial Day here next Wednesday when he will be honored together with other men who served their country in later wars.

This aged veteran, despite his 86 years, enjoys reasonable health and he will be quite able to attend the Memorial Day exercises, just as he has done for more than half a century.

Mr. Felter, who has the distinction of having been one of the youngest soldiers in the union army, yesterday recounted some of the experiences of his youth which he remembers quite clearly, recalling dates and places without moment's hesitation although the happenings occurred almost seventy years ago.

Too Young to Bear Arms

When only 16 years old, Felter wanted to become a soldier in the cause of the union, so he left the old homestead farm at Lake Catherine and walked 20 miles to the recruiting station in Waukegan. There he was told he was too young to bear arms and he had to walk back home. The following year, 1865, he was still under age, but he obtained the consent of his parents and went with John Garrett and Jimmy Whipple to the recruiting station at Marengo, Ill., where he passed the examination.

Whipple had already served three years with the union army and was re-enlisting. The enlisted men went to Chicago where Felter was assigned to Co. F, 156th Ill. Inf., which served with the Army of the Cumberland under General Thomas.

Kept Vows in Army

The travels of the young soldier took him first to Louisville, Ky., then Nashville, Chattanooga, Dalton, Ga., Cleveland, Tenn., Memphis, and finally back to Louisville where he was mustered out in September, 1865. Travel for the most part was in railroad box cars and stock cars, with

G. S. TO COMBINE WITH RURAL SCHOOLS FOR COMMENCEMENT

Twenty-five Will Receive
Diplomas from Local
Grade School

Completing one of the major milestones of their lives twenty-five eighth grade students of the Antioch Grade School will receive their graduation diplomas at the exercises which are being held in conjunction with those of nine rural schools at the high school tomorrow evening. It has been the custom for the past several years for graduates of surrounding rural schools to combine with Antioch for the commencement exercises. This enables the rural students to enjoy more fitting and impressive graduation ceremonies and to become somewhat acquainted with their future high school mates.

The exercises are scheduled to start at 8:30 Daylight Saving Time in the high school gymnasium with a procession of the graduates. The program follows:

Invocation by Rev. J. E. Charles; Songs, "America the Beautiful" and "Sunny South" by the graduates; presentation of the American Legion awards by Arthur Maplethorpe; selections, "Blue Hours" and "Sterling" by the Antioch Grade School band, under the direction of Hans von Holwede.

The address of the evening will be made by County Superintendent W. C. Petty, followed by a presentation of diplomas by Mr. Petty. After the graduates sing "Song of Parting," the Benediction will be said by Rev. L. V. Sitter.

Fifty Receive Diplomas
Names of the Antioch graduates and those from the rural schools, together with the names of the teachers, are listed as follows:

Antioch—Buddy Anderson, Vilma Baethke, Robert Chin, Ruby

(Continued on Page 8)

Main Street to be Bright With Memorial Poppies

Auxiliary Urges Generous
Support of Drive Here
Saturday

Saturday will be "Poppy Day" throughout the United States. Millions of Americans will wear little red poppies in tribute to the men who gave their lives on the poppy-studded battle fields of France and Belgium during the World War. An army of approximately 100,000 women will distribute the memorial flowers on the streets of practically every city and town in the country.

Arrangements for observance of "Poppy Day" here have been completed by the women of the local American Legion Auxiliary. All Auxiliaries will distribute poppies on the street throughout the day, and will receive contributions for the welfare of disabled veterans, their families and the families of the dead.

The poppies to be offered by the Auxiliary Saturday are cloth replicas of the wild poppy of France which grew on the battle fields and war cemeteries. They have been made by disabled veterans working in 58 government hospitals and Auxiliary workrooms in 40 different states. The local Auxiliary Unit will distribute poppies made at Edward Hines and North Chicago, Five Points Hospital.

The bulk of the money contributed for the poppies will be retained in the city to be used for the relief of needy veterans and their families during the coming year. Part will go to support state and national activities of the American Legion and Auxiliary for the disabled and dependents. The poppy sale is the principal source of support for the continuous welfare and rehabilitation program carried out by the Auxiliary, and the Auxiliary workers are hoping that more people than ever before will "Honor the Dead and Serve the Living" by wearing a Poppy Saturday. Your cooperation in this poppy drive will be greatly appreciated by the members of the Legion and Auxiliary, as well as the sick veterans in the many hospitals.

Jimmy's poster depicted the bound head of a soldier in mustard-colored uniform against the flaming poppy, and bore the words "From Flanders Field" across the top and "They Made Them—You Buy Them" along the bottom. The poster drawn by Miss Musch showed an Auxiliary worker selling poppies, with a vision of four dreams: the disabled soldier, the orphan children, mothers, and veterans, as an incentive to "Buy a Poppy to Help."

The posters were selected from the Antioch Grade and High School and several from the rural schools. An award of one dollar was made by the local Auxiliary unit to the winners. The prize posters will be submitted in a national contest, after being displayed in one of the local shop windows.

TRACK MEET WILL BRING ENTRANTS FROM 8 SCHOOLS

Future Farmers Stage First
Field Event Here
Saturday

Athletic teams from eight schools will participate in Antioch's first track meet to be held on the new athletic field at the high school Saturday afternoon, according to C. L. Knill, coach and adviser of the local chapter of Future Farmers of America, sponsors of the event.

The schools to be represented are: Waterman, Big Rock, Huntley, Woodstock, Harvard, Marengo, Gurnee, and Antioch. Only Future Farmers may compete.

Twelve events will include the following:

Shot put, discus, javelin, high jump, broad jump, 100 yard dash, 220 yard dash, 440 yard dash, 1/4 mile run, 1 mile run, 1 mile relay, pole vault.

Announce Rules for Meet.

Strict rules will govern the contest, the sponsors announced, and owing to certain limitations it will be next to impossible for one competing team to walk away with a posted score by reason of having brought one versatile star into the contest.

A contestant may not appear in more than 2 of the 12 events. Four may enter the one mile relay. Each school is to be represented by only one contestant in each event except the relay.

Schools will be figured on the 5, 3, 1 point basis for first, second and third placings respectively.

Ribbons will be given to the three highest individuals in each event, and all members of the three highest relay teams will be awarded ribbons.

Starts at 2:30 O'Clock.

The contests which are the first to be held on Antioch high school's newly completed athletic field, will start at 2:30 o'clock daylight saving time. The public is invited.

The rule that there is to be but one entry for each event except the relay, is bringing sharp competition among candidates for places on the entry list, according to Coach Knill, who has not as yet selected the local contestants who will represent the Antioch Chapter.

Baccalaureate Services To Be Held Sunday

Class Night and Ivy Day
Also Scheduled for
Next Week

Baccalaureate services in honor of the sixty-six Antioch Township High School prospective graduates will be held at the high school at 8:15 Daylight Saving time, Sunday, May 27.

The Baccalaureate will be the first of several commencement exercises to be held during the next two weeks. Class Night will be held at 8:15 Monday evening, followed by a brief Ivy Day program at 10 o'clock Tuesday morning. A 20-minute dramatic Ivy Day Service, written by Mrs. G. E. Phillips in which all the members of the class will appear in caps and gowns, will be staged north of the building, following the planting of the Ivy.

Rev. Charles to Speak.

S. E. Pollock will conduct the Baccalaureate services, which will open with a processional played by Haus von Holwede. Following numbers include: singing of "America the Beautiful," led by S. E. Pollock; prayer by Rev. L. V. Sitter; music by high school chorus; address by Rev. J. E. Charles, new pastor of the Episcopalian church; music by high school chorus; benediction by Rev. L. V. Sitter.

Secure Commencement Speaker.

Dr. Ralph Dennis, Dean of the School of Speech, Northwestern University, has been secured to deliver the Commencement address on the

HERE'S HOW HORNER

HELPS (?) THE TAXPAYER

Governor Horner's claims of helping the taxpayer are not borne out by the latest figures from the state treasurer's office. Cash collected by the state, from taxpayers of various kinds, for the last four fiscal years and the first ten months of the present fiscal year and the amount spent by the state are as follows:

YEAR	COLLECTED	SPENT
1930	\$103,944,137	\$ 95,062,967
1931	120,696,499	126,735,221
1932	130,126,371	128,898,602
1933	137,243,062	150,077,403
10 months to May 1, 1934	136,056,110	118,600,949

If the same rate of collections continue until July 1, the end of the fiscal year, the state will have taken \$163,243,312 from its taxpayers, far more than was ever taken before by any administration. At the same rate, it will also have spent \$142,321,139.

These figures do not include the \$55,000,000 which has been "borrowed" in some mysterious manner from the Reconstruction Finance Corporation and which never passed through the state treasury, nor the \$3,000,000 which the federal government has given outright to the state for relief purposes and which also went around the state treasury.

JUST WHAT HAPPENED

In an address to the graduating class of Oberlin College the other day Prof. Rex Tugwell, Assistant Secretary of Agriculture, is quoted as stating that the old order of business, economics and policies, "became calamitous to the entire nation" and the people decided something had to be done. Continuing Dr. Tugwell is quoted as saying:

"It is very strange to me, though perhaps familiar to students of abnormal psychology, that there are today in this country still a considerable number of irrational people who do not realize that something more than an ordinary presidential election took place in 1932, and who are now clamoring for a return to a kind of civilization which is as archaic as the ox-cart and the windmill."

Here are words worth thinking about. If something more than an ordinary presidential election occurred in 1932, just what was it? Certainly there were no issues discussed in the campaign which presented anything more than a simple change in administration. Both political platforms talked about economy, less government in business, simpler government and a return to normalcy. If something more than an ordinary presidential election has taken place, when did it occur, and who authorized it? Certainly it did not occur in the ballot box of the nation. Then just when did it happen? Did it come about when the college professors and the experts whom a distinguished Democratic statesman called "crackpots" began to appear in the picture? And if it was something more than an ordinary election what was it—a revolution? Here are some questions which the good professor might answer in order to clarify his presentation of the situation.

And again it would be interesting to know just where is the abnormal psychology? Is it abnormal psychology to hold a reverence for the Constitution of the United States, and for the institutions which gave us the greatest country the world has ever known? Is it abnormal psychology to prefer individual liberty to regimentation, to hold with the views of Washington, and Jefferson, and Lincoln, rather than with those of Rex Tugwell, Mordecai Ezekiel, and Felix Frankfurter? We would suggest that Professor Tugwell read the Republican and Democratic platforms of 1932, and then tell us whether or not they are a development of an abnormal psychology. And if they are, then just when did we as a nation get to the normal way of thinking?

Either the New Deal is revolutionary or it is not.

LAKE VILLA P.T.A. OFFICERS INSTALLED

Ten Are Graduated from Lake Villa Grade School

The P.T.A. held the last meeting of the year at the school-house on Monday evening and Mrs. Petty of Antioch installed the following officers for the coming year: Maude Parsons, president; Dorothy Frye, vice-president; Miss Masterson, secretary; Alice Meyer, treasurer, and Gertrude Perry, historian. Mrs. Hooper is the retiring historian and made a splendid report of the work of the past year. As Mrs. Pinch, the retiring president, is leaving very soon for her new home in Rhode Island, the P.T.A. presented her with a pewter steak platter as a small token of appreciation for her splendid interest in the work, and Miss McNeely, teacher of the 3rd and 4th grades for the past four years, is leaving this year, she was presented with a necklace and bracelet as a farewell gift. Mr. Frye made the presentation. We are very sorry to lose both these ladies, as they have been active in all public work and will be greatly missed. The room in which Miss McNeely has been teaching will be closed next year.

The commencement exercises of

the Lake Villa grade school took place at the Lake Villa Community church on Wednesday evening at 8 o'clock. The members of the graduating class were Alice Dixon, Pauline Nader, Alto Keisler, Evelyn Sciacero, Harriet Moyer, Lester Perry, George Walker, Bernard Schneider, Leonard Schneider and Howard Meyer. The class motto is "Climb though the rocks be rugged" and colors, orange and blue. Class flowers, sweet peas. Edward L. Bradley of Attendale gave the invocation and benediction and W. C. Petty gave the address. Music was furnished by the girls' chorus and the school band, directed by Monte Hinton, also a duet by Harriet Eyre and Harriet Meyer. Alice Dixon gave the class will; Pauline Nader, the class prophecy; and Alto Keisler, the class poem. Lester Perry gave the class memory.

The Ladies' Aid Society will make doughnuts at their rooms below the Cafe next Saturday and solicit your patronage. Orders may be left with Mrs. Frye, Mrs. Frank Hamlin, Mrs. Charles Hamlin or any Ladies' Aid member.

Paul Avery, Paul Jr., Edwin Kapple and Carl Holnebach attended a ball game in Chicago on Tuesday of last week.

Mrs. Martha Madsen fell from a step-ladder on Monday while washing windows and broke a bone in her left arm, but she is recovering nicely.

Mrs. Swanson, Mrs. Lottie Barnstable, Doris Britton, Hilda Nader, Frances Barnstable, Mrs. Tweed, Mrs. B. Galger, Mrs. T. Jensen, Mrs. summer,

Some of the professors who brought it into being deny that it comprises a revolution. But Professor Tugwell strongly intimates that in 1932 something more than an ordinary presidential election took place. We think the American people have the right to know just what it was, and how.

WALLACE IN DUAL ROLE

An interesting article in the Sunday issue of the Chicago Tribune reveals Henry Wallace in the dual role of secretary of agriculture, advocating compulsory crop reduction, and that of seed corn merchant, advertising seeds which will increase corn production.

Mr. Wallace, the article states, was president of the Hi-bred Corn Co., Grimes, Iowa, until he became secretary of agriculture. He retains his stock in the corn seed company and his lawyer is now president.

Most startling of the revelations in the Tribune article are those concerning the secretary's official pronouncements and the corn company's advertisements, appearing in the Wallace-controlled magazine, "Wallace's Farmer."

Here, staring at each other from opposite pages, one finds Secretary Wallace insisting that corn acreage must be reduced for the farmer's salvation, and the seed merchant, Mr. Wallace, claiming that, with his seed corn, acreage can be cut 25 per cent without reducing the yield.

One wonders whether the acreage reduction program is designed to cut corn production or to force farmers to use Mr. Wallace's high-test seeds.

At least, Secretary Wallace's Department of Agriculture will pay the farmer a bonus for reducing his acreage, while he is raising more corn than ever with Mr. Wallace's seed corn.

THE REDSKINS ARE COMING!

A short time ago the Chicago Tribune printed a cartoon that hit the predicament of the average American neatly on the head. It pictures "John R. Taxpayer" and his family, attired in frontier dress, hiding in and under a covered wagon, surrounded by an attacking "Tribe of Taxeaters," who have come out of the "American Tax Wilderness." The unfortunate "John Taxpayer" is saying in response to frightened appeals from his wife and children, "There are so many of 'em I don't know where to start shootin'."

Every citizen is in that position now. The tax Indians, of course, won't do him physical harm—but they are highly cannibalistic, so far as his pocketbook, his savings and his property are concerned.

They are destroying jobs by draining the springs from which payrolls flow.

They are capturing homes and farms—because their owners, in these days of reduced income and increased taxes—can't pay the levies against them.

It's hard all right, to know where to start shooting—but unless that start is made, through the united effort of a million of both workers and employers of the country, the Indians are going to have an easy time at the massacre. The cure lies in opposition to extravagance and to legislation which goes outside the proper sphere of government, at the taxpayers' expense, and opposition to officials who propose or foster such practices. A genuine movement along these lines should be started. And every citizen who has a job, owns a piece of property, or has a few dollars invested, belongs in it.

State primaries, and the elections that will follow next November, are unusually interesting this year. The pregnant question they are arousing is: "Can the democrats maintain their hold on the electorate—or are the millions of republicans who switched party last year returning to the fold?" All observers agree that Mr. Roosevelt's personal following is as large as ever, but many doubt if even that is enough to prevent heavy democratic losses when the ballots are cast.

Remember the old-fashioned platforms of 1932 which stood for economy and less government in business?

There is an old saying that you never can tell what a woman will do, but the same thing applies to a state legislature.

Some people are expecting General Johnson of the NRA to do some "cracking down" while others seem to believe that the NRA itself will soon do some cracking up.

Disabled Veteran Carries On

Tribute to his fallen comrades and aid for him—that's what each little poppy which this disabled veteran is shaping means. He is one of many hundreds of disabled World War veterans who have been making memorial poppies for the American Legion Auxiliary in 53 government hospitals and poppy workrooms located in 40 different states. By Poppy Day, May 26th, ten million of the little red flowers are expected to be completed, ready to be worn in honor of the war dead. The poppies will be distributed throughout the country by volunteer workers from the American Legion Auxiliary, who will receive in exchange contributions for the welfare of the disabled men, their families and the families of the dead.

HICKORY CHURCH
SERVICES TO BE
HELD THIS SUNDAYNels Nielson Is Recovering
from Operation in
Chicago

There will be church services at the Hickory M. E. church Sunday afternoon, May 27th, at 2:30 p. m. daylight saving time. Rev. Albert Pierstorff will speak.

Mrs. Nels Nielson and daughters, Caryl and Alice, visited Nels Nielson in St. Luke's hospital, Chicago, Sunday. He is getting along nicely.

Wilson King from West, Newport school graduated from 8th grade at the Gurnee exercises Tuesday evening.

Al Pedersen and Paul Pratline drove to Chicago Saturday evening to the stock yards fair.

Mrs. Charles Gleser of Maywood spent a couple of days last week with her uncle and aunt, Mr. and Mrs. James Atwell and on Sunday she returned home with her family who drove out to spend the day.

Mrs. Emily Nelson and son, Clifford, of Waukegan called on Mr. and Mrs. James Atwell last Friday.

Mrs. Lillie Hendricks and son, Meredith, of Ingleside visited Frank Sherwood last Sunday.

Mrs. Arthur Nanta of Waukegan visited her daughter, Mrs. Lester Hamlin, a few days early this week.

The graduating class enjoyed a banquet at the school last Friday evening and Alice Dixon was toastmistress. Mrs. Pinch, on behalf of the P.T.A., gave the welcome and Bernard Schneider, President of the class, responded. Music was furnished by the class and Harriet Eyre sang, "Trees." Members of the class gave short talks and C. C. Frye made a few appropriate remarks.

Because of lack of sufficient time and conflicting dates, the graduating class of this year did not give a play as usual, but instead, a movie was presented at the school-house Saturday night, a small fee charged, and a card party with refreshments followed. Hilda and 500 were played and Mrs. Charles Peterson, Mrs. Carl Miller, Mr. H. Meyer and Mr. Morrison were prize winners in 500 while Mrs. Madson, Troy Billinger, Mr. Fish and Dr. Gindrich were prize winners in bridge. A bird house was raffled and won by Mrs. Fred Hamlin. The proceeds, about \$13.00, are for the class memorial and will be used by the class as such.

A family reunion was held at the James Kerr home last Sunday and a splendid time was spent. Those present were Mr. and Mrs. Edgar Kerr, Jean Kerr and small Jack, three months old of Bloomington, George Mitchell, wife, daughter, Helen, and Mrs. Harriet Mitchell, of Chillico, Mr. and Mrs. William Weber, daughter, Helen, and small Billy from Sand Lake, and Mrs. Kerr's nephew, Francis Pettijohn, a teacher in Chillico University, with his wife and daughter of Chillico.

Mr. and Mrs. McLaren have opened their home on Burnett Avenue and will soon be there permanently.

The Davis family from La Grange are out over Saturday and Sunday nearly every week now and Mrs. Natalie Frazor who has been with her daughter in Evanston for the winter came out last week to spend the

This Distintegration Test shows how Puretest Aspirin starts pain relief in 2 to 7 SECONDS!

Charles Gusterson and sons drove to Chicago Sunday and visited their daughter and sister, Mrs. Alex Piscator.

Willie Hunter and Dorothy were Kenosha shoppers late Friday afternoon.

Mr. and Mrs. Louis Milling and children from Chicago spent Sunday at Hugo Gussason.

Miss Bertha Crawford is staying this week at the home of her brother, Clarence Crawford, in Waukegan.

Mr. and Mrs. Norbert Itley from Wilson King from West, Newport school graduated from 8th grade at the Gurnee exercises Tuesday evening.

Mr. and Mrs. Geo. Thompson and Harold and George called on Edith Thompson at Libertyville hospital, Sunday afternoon.

Miss Sundahl returned to her home in Chicago Saturday evening after spending several weeks at the farm.

TIME after time we floated Puretest Aspirin tablets upon water. And time after time—in 2 to 7 seconds—they had disintegrated. That's why Puretest Aspirin brings quicker relief—because Aspirin's work starts when it disintegrates. This means that Puretest Aspirin starts to relieve your pain in 2 to 7 seconds. That's why you should ask for Puretest Aspirin always.

GRADE SCHOOL NOTES

"In School Days"

HIGH SCHOOL NOTES

Successful Prom Held Amid Scenes Of Maynight Beauty

One of the most effective and unique Junior Proms ever held in the Antioch Township High School was successfully concluded Saturday evening after much labor on the part of the enthusiastic Juniors.

A vestibule "Grand Hotel" with alert bell boys, trig waiters and waitresses and clerks and elaborate hotel properties proved a romantic setting for the scores of young people who glided gracefully about the ballroom. Elegantly picturesque palm trees, window boxes, clever curtains, delicious food, and realistic lobby and mezzanine attractions, flowers and candies enhanced the enjoyment of the evening.

One of the features of the evening was a floor show, with special dance and song numbers. Instrumental music was provided by the bell boys; a dance was presented by Ruth Chinian and Betty Bray, and songs by the trio, Jeanette Peterson, Ruth Nelson and Vilma Musch.

The Grand Promenade was led by Stewart Olsen and Jane Warriner, followed by Clayton Bartlett and Elizabeth Orrin. Olsen and Bartlett are presidents of the Junior and Senior class respectively.

Mothers to Hold Party for Graduates

The mothers of the graduates of the Antioch Grade School will give a party for the class tonight at the grade school. A dinner will be served, followed by a bono party.

Those in charge of arrangements are: Mrs. Fred Hackett, Mrs. R. D. Williams, Mrs. A. M. Hawkins, Mrs. Nason Sibley and Mrs. L. C. Crandall.

Enjoy Play Day
The annual Play Day activities were held yesterday afternoon, with games in charge of Mrs. G. E. Phillips and Mrs. Whited. Contests of all kinds were held and a baseball game staged. The games and contests were held for the entire student body. The committee in charge of refreshments was: Mrs. Fred Hackett, Mrs. Adolph Pesat and Mrs. Arthur Maplethorpe.

Grade Teachers To Leave Soon For Vacation Haunts

As the closing hours of classes and activities at the Antioch Grade School approach, thoughts of students and teachers alike are cast forward to visions of rest and play during the summer months. Two of the teachers, Mrs. Fern Lux and Ralph Clabaugh, will attend school this vacation.

Mr. and Mrs. Charles Lux will spend two weeks with Mrs. Lux's mother, Mrs. Sarah Dunham, at Pittsfield, Illinois, before Mrs. Lux enters summer school at the National College of Education, Evanston, Ill.

Mrs. Mary Gulliger and her sister will spend part of the summer visiting in the west. They plan to visit Yellowstone National Park.

Miss Helen Illicheck will spend the summer at her home in Lake Bluff.

Miss Ayleen Wilson is planning to attend summer school at the University of Kentucky in Lexington.

Miss Eleanor Meyer is leaving for her home in Lexington, Ill., as soon as school is out to complete arrangements for her wedding June 12 to E. William Kulak of Antioch, Ill.

Mrs. Virginia Kennedy, secretary, will join her husband in Chicago.

Miss Isabelle Harwood will spend her summer vacation at Bloomington, Illinois, and Middleton, Wisconsin.

Miss Mildred Byrnes will be at her home in Fond du Lac, Wis., most of the summer.

Prin. Ralph E. Clabaugh is to attend summer school at the University of Illinois where he will continue work on his Master's degree.

Joseph Panowski is going to take a couple of weeks off from his duties at the school this summer to go up in the northern part of Wisconsin to fish.

Misses Baethke, Charles Miller, Mary Lou Shibley and Virgil Horton, eighth grade, have had perfect attendance this year.

The fairy story "Rumpelstiltskin" was shown at the grade school in three sets Monday, followed by three sets Monday, followed by three sets of Vicar of Wakefield.

H. S. INDIANS TRIM WARREN BLUE DEVILS**Defeat Wauconda 17-5; 2 Conference Games Still to Be Played**

For the first time this year an Antioch Township High School team came through successfully in an encounter with their old friend and rival, Warren Township High School. The Warren baseball outfit was defeated in Tuesday's game 9-5.

Bomber Hogan and Jiska, Warren pitchers, for sixteen smashing drives, the Antioch warriors, led by their lead-off man, Steffenberg, trimmed the oldest Blue Devils riding high water from their recent 7-6 win over Antioch. Steffenberg cracked out a single, two doubles and a triple.

After the first inning, Hogan, starting pitcher for Warren, was constantly in trouble. Everyone seemed to find his submarine slants an easy mark except Christensen and Wells, who when they weren't whiffing, were playing "tip them out" to the pitcher.

The laugh of the afternoon came when Bishop rapped out a double with Miller ahead of him. The ball sailed high into the air and came to rest along the edge of the river which decorates the back of Warren's field.

Hook, Warren's left fielder, stood on the banks of the Swaines' dreamland of Odyseus among the Phaeceans, when the ball flew out to meet him; when the smoke cleared away, Hookie was standing on the bank completely drenched.

Madsen hurled great guns for Antioch. The little diminutive pitcher set the "Devils" down for thirteen strikeouts; Warren scored only one run after the first three innings.

Happy Snyder, Antioch short stop, was hurt while going to second on a fielder's choice.

Defeat Wauconda

Tuesday's victory added to a 17-5 win over Wauconda Friday places Antioch in the upper section with four wins and two losses. Home runs were featured by Steffenberg, Wells, and Johnny Sheen. The majority of the runs were made on errors by Wauconda Jads. Sheen, who has been working hard all season, started Friday by his home run and by catching two men off second base.

Two more games remain before the conference season is closed. Bishop, who finished pitching the Wauconda game, probably will hurl the Barrington game there tomorrow. The last game is with Ela next Tuesday.

MILLBURN TO HOLD MEMORIAL SERVICES

Six Are Graduated from Millburn School; to Hold Picnic Tuesday

Memorial Day Services will be held at Millburn cemetery on Wednesday afternoon, May 30th, at 2 o'clock. S. T. George White is chairman of the day and with his committee is preparing an appropriate program for the day.

Commencement exercises for the eighth grade graduates of 15 different schools in Warren and Newport Townships were held at Warren Township School on Tuesday evening, May 22. Those graduating from Millburn School were Louise Murray, Mildred and Milton Baumian, Robert Denman, Marvin Groebel, and Donald Truax.

The Hickory Unit of Home Bureau met at the home of Mrs. Frank Kennedy Thursday, May 17th, with 14 members and 4 guests present. The guests were Mrs. E. A. Martin, Mrs. N. C. Christiansen, Mrs. Dixon Voso, and Mrs. Lloyd White of Waukegan. The minor lesson on Application and Care of Ice Bags was given by Mrs. Bert Edwards, supplemented by remarks from Mrs. E. A. Martin. The major lesson, "How to Buy Carpets and Rugs," was given by Mrs. Robert Bonner and Mrs. Gordon Bonner.

Mr. and Mrs. E. A. Martin spent Saturday and Sunday with their son, Richard, at Appleton, Wis.

Mrs. Earl Edwards and grandson, Edward Dickay of River Forest, are visiting at the D. B. Webb home.

George Edwards spent Thursday with his sister, Mrs. Alice Fenlon of Grayslake.

Miss Bernice Bauman spent the week-end with friends in DeKalb.

Mr. and Mrs. Ed. Groebel spent Wednesday in Chicago.

Misses Edith Holden and Doris Jamison spent Sunday in Urbana, Ill.

The annual school picnic will be held at Millburn school Tuesday, May 29th, with picnic dinner at noon.

Miss Mary Kerr of Lake Villa was a caller at the home of her sister, Mrs. Alice Spring, Friday.

George Edwards spent Wednesday with relatives in Kenosha.

Mrs. J. H. Bonner spent Sunday afternoon with Mrs. W. B. Stewart in Waukegan.

Ray Smith Installs New Computing Pump

An innovation in the use of gas pumps was introduced to Antioch Saturday when Ray Smith, owner of the Lake Street Service Station, had a computing display pump installed.

This pump is a vast improvement over the old-style arrangement, as it combines a computing pump which totals up the gallons and the cost with a show case in which small auto accessories, cigarettes or candy may be displayed.

The red and silver pump was purchased from the Wayne Pump Co., Fort Wayne, Ind., and installed by Ed Garrett. This is one of the first of its type to be installed in Illinois, Smith said today.

The computing dials are controlled from below, where the gasoline meter, the pump and the electric motor operate and register the action. A shaft in the nickelplated housing extending through the center of the show case forms a connection between the meter below and the dials above. To arrange for the fluctuating price of gasoline, graduated dials from one to ten, from ten to forty, and from one-tenth to one, may be set from the interior.

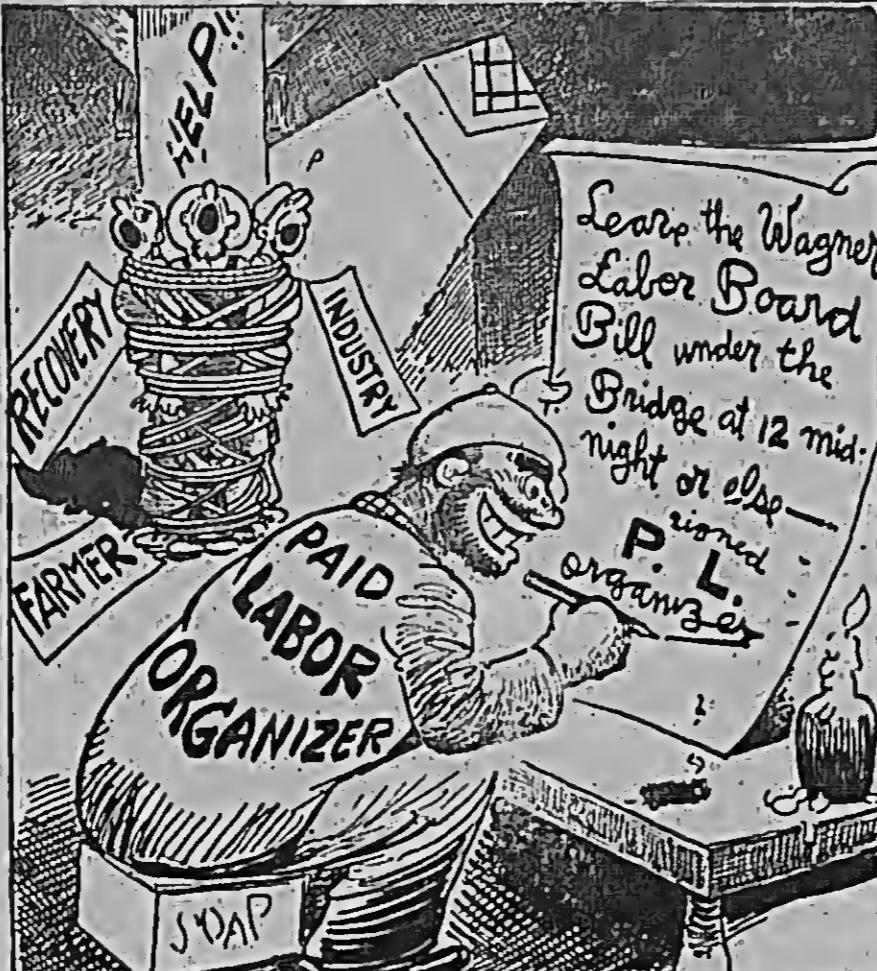

The plate glass showcase is in the nature of a silent salesman, Smith said, as it displays to the public goods not usually noticed by the hurrying motorist who stops but a moment for gas without entering the station. It is illuminated at night by two 60-watt electric light bulbs.

Red Cross Nursing School Graduates To Get Certificates

1 lb. of flour
1 cup sugar
14 teasp. baking powder
1 round-well Works Nursing School
2 eggs
1 cup cream
Cook sugar
1 beaten white
Syrup drop by drop
Time: When it is for women in Fox Lake
Chopped nuts in Lake Villa and Grayslake
Fuls on waxed paper in the program to be
Monday.

These meriting certificates

LET'S RESCUE THEM!

Farm Bureau Baseball League Starts Season Schedule Next Sat.

The Lake County Farm Bureau baseball team will open the season next Saturday playing DeKalb Farm Bureau baseball team at Grays Lake, at 2:30 p.m., daylight saving time. Following is the schedule of games for this coming season:

May 26—DeKalb at Lake
June 2—Boone at Lake
June 9—Lake at Boone
June 16—McHenry at Lake
June 23—Lake at McHenry
June 30—Lake at DeKalb
July 7—Boone at Lake
July 21—DeKalb at Lake
July 28—Lake at Boone
Aug. 4—McHenry at Lake
Aug. 11—Lake at McHenry.

West Side Merchants Trim Eastsiders In Baseball Game 13-4

Good Crowd at First Game;
the Men's Club Plans
Weekly Games

With the East Side merchants spiritedly resolving to turn the tables over their West Side friends who trimmed them in baseball 13-4 last Thursday evening, a worthwhile game is assured for this evening at the grade school grounds.

The softball games were instituted last week in place of the monthly dinners by the Men's Club of Antioch. They are designed to promote an enjoyable form of recreation and good fellowship among the business men. It is the present plan to stage games every Thursday evening during the summer.

Sister Pitches
Rev. L. V. Sitter, star pitcher for the Westsiders, brought further glory upon himself by acing the only home run of the game. The game was refereed by Dr. R. D. Williams.

cates have not yet been disclosed, according to Mrs. W. C. Potts, retiring president of the Antioch P.T.A., who said that the approved list from St. Louis was being awaited. It is expected, however, that about thirty from the Antioch division will receive the certificates.

Among the speakers secured for the program are: M. C. Talcott, chairman of the Red Cross Beard, Waukegan; Mrs. Kaye, of the Waukegan Red Cross Board; Mrs. John, head of the Training Board of the Victory Memorial Hospital.

Special music will be arranged by Mrs. William Marks, Lake Villa.

FORMER EDITOR'S WIFE VISITS NEWS

Husband Established Paper in 1886; Many Changes Observed

Mrs. John J. Burke, widow of the editor who established the Antioch News in 1886, has been visiting old friends and relatives in Antioch this week. This is the first time in twelve years that she has been able to speed any time in this vicinity.

For the past two years she has made her home in Birchwood, Wis., near Superior and Rice Lake, although for many years after leaving Antioch she and Mr. Burke were members of the Antioch "colony" in Chetek, Wis.

When visiting at the News office yesterday, Mrs. Burke was quick to notice the changes in printing methods which have developed since Mr. Burke relinquished control of the paper 17 years after its establishment. She commented upon the rapidity of the modern linotype action in contrast to the painstaking slowness of setting type by hand.

The News office was first located in the little building just north of the old Opera house on the south side of town, Mrs. Burke recalled. The News next moved to the Powles building which was destroyed in the great Antioch fire in 1897. Following this disaster, the office was located for nearly thirty-seven years in the frame building vacated by the News last January. Mr. Burke was a fine editor with a humorous twist to his writings and was a respected citizen.

Mrs. Burke is still a very active and comparatively youthful appearing woman. She plans to leave this evening for Milwaukee and to continue from there to her home in Birchwood.

Legionnaires To Hear National Chief At Convention

A delegation of Antioch Legionnaires is planning to attend the second annual convention of the 2nd division of the American Legion to be held in DeKalb Sunday, May 27, it was learned today.

One of the outstanding events of the day will be National Memorial Address by National Commander Edward A. Hayes at 3 o'clock. Standard Time in the auditorium of the Northern Illinois State Teachers' College. Hayes will be introduced by State Commander Charles Kapschill, DeKalb, according to word received from Henry Faval, Lake Forest, Eighth District Commander.

The address will be open to the public.

The second division consists of 18 counties in northern Illinois, including all those in the northern third of the state with the exception of Cook Co. It embraces 118 Legion posts and a membership of nearly 20,000, including those in Lake county.

Mr. and Mrs. Joseph Kohout and son, Robert, of La Grange, Mr. and Mrs. Paul Kohout and two daughters of Libertyville spent Tuesday evening with Mr. and Mrs. Harry F. Beebe. Mr. and Mrs. Paul Kohout are leaving in a few days for Boise, Idaho, where they expect to make their home.

Homer La Plant spent Saturday and Sunday in Chicago.

Boy's Essay on Corn Improvement Project Wins Prize

(NOTE)—This essay was written by Paul Nielsen, a Souther in the Department of Vocational Agriculture at the Antioch Township High School and won 11th in a competition of 160 stories entered by mid-west students in The Chicago Drovers' Journal Project Story Contest.

(By Paul Nielsen)

My corn improvement project began when I enrolled in the Animal Husbandry class in Vocational Agriculture. It was my instructor's suggestion that I plan a definite program of corn improvement to supplement my four year course.

I started my project by securing Golden Glow seed from a grower in the southern part of our county. He had won distinction as a corn breeder, I noticed a great difference. My corn, as a whole, was much better. It was taller; greener, and had thicker stalks. I was convinced that green manure was very good in regard to corn production.

Last fall I sowed my corn at the Antioch Country Fair. I placed second in the open class and first in the Junior Division. At the Sectional Future Farmer Fair my two entries had good and a fair grading. I considered this fairly good, as I had to compete with the boys in the northern part of the corn belt.

The average production of my five acre plot was slightly over 100 bushels to the acre. This yield was much better than others of our community.

This year I picked 20 bushels of seed corn. I have many orders for seed now. I plan to advertise this seed in the northern part of Illinois and part of Wisconsin.

My financial statement is as follows:

Amount sold and used	\$168.80
Increase in Inventory	4.50
Total	\$173.30
Labor Costs	\$79.59
Other Costs	15.00
Total	\$94.59
Total Profit	\$78.80
Paid self for labor	10.55

Total Income from Project \$89.45

As a side project, I am developing a purebred Guernsey herd on our farm. The calf, which I bought in 1931, is due to fatten this spring. I plan to continue with my herd development along with my corn

Mr. and Mrs. James Lamb, daughter, Betty Jane, and mother, Mrs. Helen Hallott, Kenosha, were Saturday evening callers at the Joseph Smith home.

Lois Pepper has received the valedictorian honors in the class of 1934 at Wilmot High school.

Mrs. George Sawls and daughter, Fern, Chicago, spent Saturday with her uncles, D. A. McKay and H. A. McKay.

Keeping Cut Flowers Fresh

By Ann Pryor

NOTHING adds more to the attractiveness of the home than tastefully arranged cut flowers.

To make your cut flowers last longer add sugar to the water in the vases. The proportions are about a level teaspoonful of sugar to a pint of water.

Every third day cut off about a quarter of an inch from the ends of the stems, using a very sharp knife or razor blade.

Both Mistaken

A pompous man missed his silk handkerchief and accused an Irishman of stealing it. After some confusion the man found the handkerchief in his pocket and apologized for having accused the Irishman.

"Never mind at all," said the latter. "Ye thought I was a thief and I thought you was a gentleman, an' we were both mistaken."

Experienced

A lady was entertaining the small son of a friend.

"Are you sure you can eat your own meat, Tommy?"

"Oh, yes, thanks," replied the child politely. "I've often had it as tough as this at home."

YOU CAN THROW AWAY YOUR EYEGLASSES

NEW REVOLUTIONARY
SCIENTIFIC DISCOVERY
MAKES EYE CRUTCHES
UNNECESSARY

IF YOU ARE FAR-SIGHTED,
ASTIGMATIC, CROSS-EYED,
OLD AGE SIGHTED, OR IF
YOUR VISION IS FAILING

It is because the news of this blessed discovery has not reached you.

Send for this booklet immediately and read the real truth about eyes and eye glasses, all about the scientific vision normalizing device called "NU-EYE-LIFE."

With it you will be in a position to make a real saving in glasses and eyeglasses.

WOMEN'S PAGE

Regular Exercise Helps Eyes to Keep Beauty

Here are a few eye exercises that may be taken regularly to exercise the muscles around the eyes, as well as the eyes themselves:

(1) Close your eyes tight for a second or two to change the circulation. Open and then look sideways to the right and back again five times. Close again and look sideways to the left five times. Look upward and downward five times. Then circle your eyes from left to right five times.

(2) Cover your eyes with your hands or hold a dark cloth over them for several seconds. Remove hands or cloth and imagine you have a large hoop in your hand and allow your eyes to travel around the hoop from left to right upward and around to right, then downward. Reverse and start from right to left. Repeat five times. Then hold the arms outstretched and, without moving the head, glance toward the right hand, then to the left hand, then upward and downward and back again to right hand. Repeat five to ten times, but do not strain. Gradually move the arms and hands backward so that it is a greater effort to see the fingers. Rest the eyes for a few seconds and then focus them on an object in the distance higher than the head.

Learn to relax the eyes for several seconds at regular intervals during the day. When the eyes feel tired, do not force them to look at close work. Close them and relax for a few seconds and you will not have to squint and strain to see the work in front of you. Bathe them in tepid water or a weak solution of boric acid or salt water several times a week.

After the exercises, bathe the eyes either with distilled water, boric acid, a weak solution of salt water or plain water with hazel. If not convenient to do this during the day, it should not be neglected in the morning nor at night. Such simple exercises, together with the cultivation of radiant health, will be of great assistance in retaining the natural beauty of "the windows of the soul."

Did You Ever Try These Recipes? Do, Please

Shredded String Beans
Melt 2 tablespoons butter in a heavy iron skillet and add 1 pint shredded cooked pork, 1 1/2 cups salt and 1 quart string beans, shredded. Cover and cook for 20 to 25 minutes, turning the beans and pork frequently. Serve on buttered toast. The beans should be young and tender.

Minute Shortcake
Fresh or canned fruit or berries
Graham crackers
Whipped cream
Sugar
Flavoring.

Put a layer of fruit or berries between graham crackers. Top with whipped cream, sweetened and flavored.

Ice Cream Cake Sandwiches
Make a long cake, cut in strips three by six inches. Split open like shortcake and fill with ice cream, then put together. Serve with hot chocolate sauce poured over each and pecan nuts or walnuts, cut fine, sprinkled over the top.

Molded Spinach and Bacon
2 lbs. fresh spinach or three cups canned
2 tablespoons butter
1/2 teaspoon salt
1/2 teaspoon pepper

6 thin slices bacon, broiled crisp. Wash spinach thoroughly, then cook until tender in the water, adhering to the leaves. If canned spinach is used, heat the contents slowly. Drain and season with butter, salt and pepper. Add bacon which has been crisped and broken into small pieces.

Maple Nut Puffs
1 lb. of maple sugar
1 cup milk or water
1/4 teaspoon cream of tartar
1 rounded tablespoon butter
2 egg whites
1 cup chopped walnuts
Cook sugar, milk and butter to soft ball. Stir in cream of tartar and take from fire. Pour over the stiff beaten whites of eggs the hot syrup drop by drop heating all the time. When it begins to stiffen, add chopped nuts and drop by teaspoonfuls on waxed paper.

ORIGIN OF TERM "COCKTAIL"

A GROUP of prominent liquor men gathered together during the cocktail hour in one of New York's leading hotels the other afternoon. A reporter asked if any one there could tell him the origin of the term "cocktail."

Mr. Horace V. Myers, known the world over as the "Jamaica Rum King," head of the house of Fred L. Myers & Son, Kingston, Jamaica, distributors of the well-known "Planter's Punch" and other brands, called attention to the fact that the answer to this question had recently appeared in an English magazine. He told the story as follows:

During the American War of Independence the tavern of a certain American cavalry troop was run by a young widow popularly known as Betsy Flanagan.

In 1779 she accompanied her troop to more substantial winter quarters at Four Corners, close to New York. Here she opened up an extremely efficient tavern that soon became the favorite haunt of the American and French officers. Its fame for cleanliness and comfort soon spread through all the armies, and all who sought refuge there spent many a pleasant hour at cards and drinking of the wonderful sparkling liquor, concocted by Mrs. Betsy Flanagan.

The officers lost no time in proclaiming the marvelous bracing virtues of her mixtures for colds. In fact, the drink soon became known as Betsy's "bracers."

It was of course only natural that eager inquiries for the recipe of the sparkling bracers should become persistent. But Betsy Flanagan was a woman who could keep a secret.

Closely to the tavern an Englishman possessed a snug little country estate. He was well known as an out-and-out Loyalist, an inveterate enemy of the independence movement. It was a regular custom of Betsy's, whenever the atmosphere of the tavern was overflowing with the spirit of cheerfulness, boastfully to promise her uniformed guests a delicious hot stolen dish of roast fowl, prepared from the finest roasters of the English gentleman's celebrated poultry coop. The officers would, of course, continue to remind Betsy of her vow, promising every time the story as follows:

So one evening Betsy invited them to a dinner of roasted fowl. She decorated each bottle and jar in the tavern with the beautiful tall feathers of the roasted roasters to celebrate her daring victory. Thus it happened that a certain guest at that dinner, craving for a drop of bracer, called for "a glass of those cocktails."

"We are drinking the beverage that offers the public the same charming sensation as the cock's tall feathers offer the eye," cried another officer, whereupon one of the French officers retorted, "Long live the cocktail."

This is how the home-made concoction was christened with a new name. Who ever dreamt that it would spread to the four corners of the earth? The name is just as popular in Germany as in all the English-speaking countries.

The rum which Washington obtained by trading in a recalcitrant slave and the rum which Betsy Flanagan used for a famous party doubtless came from the same source from which the famous Myers' Jamaica Rum comes today.

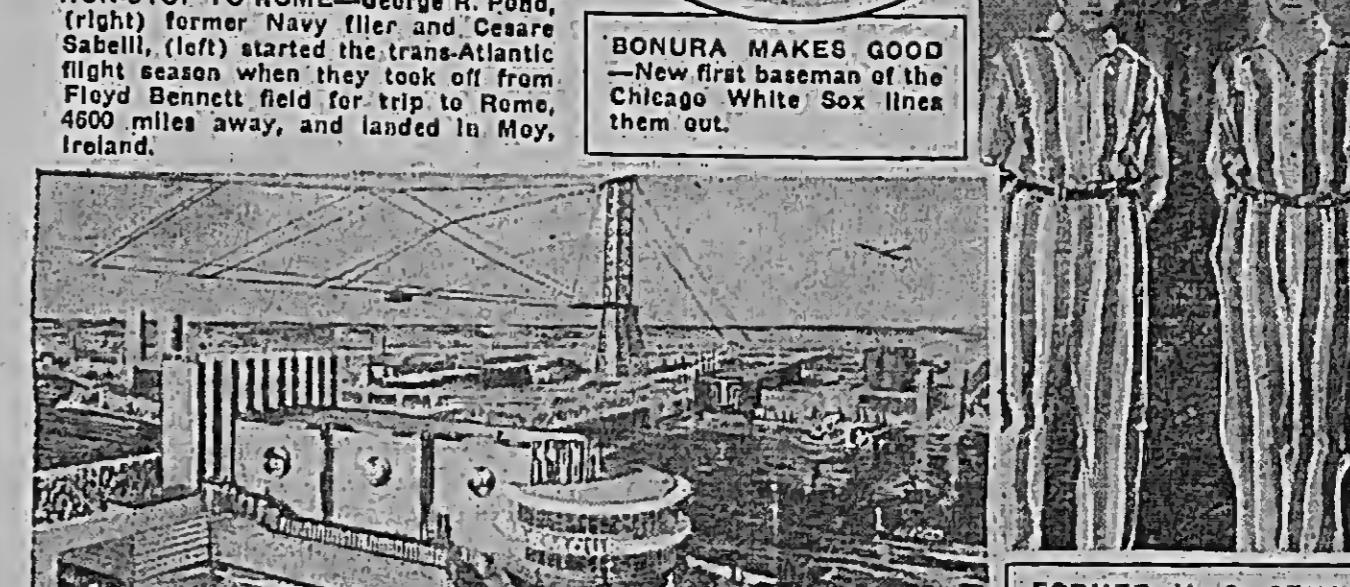

THE Canirror

"NO SPOONING?"—Well, not with highballs, anyway! The spoon is the enemy of the highball, and by using Billy Baxter Self-Stirring Club Soda, this charming New York matin avoids spooning and enjoys better highballs. The activation of the highly compressed air does the stirring.

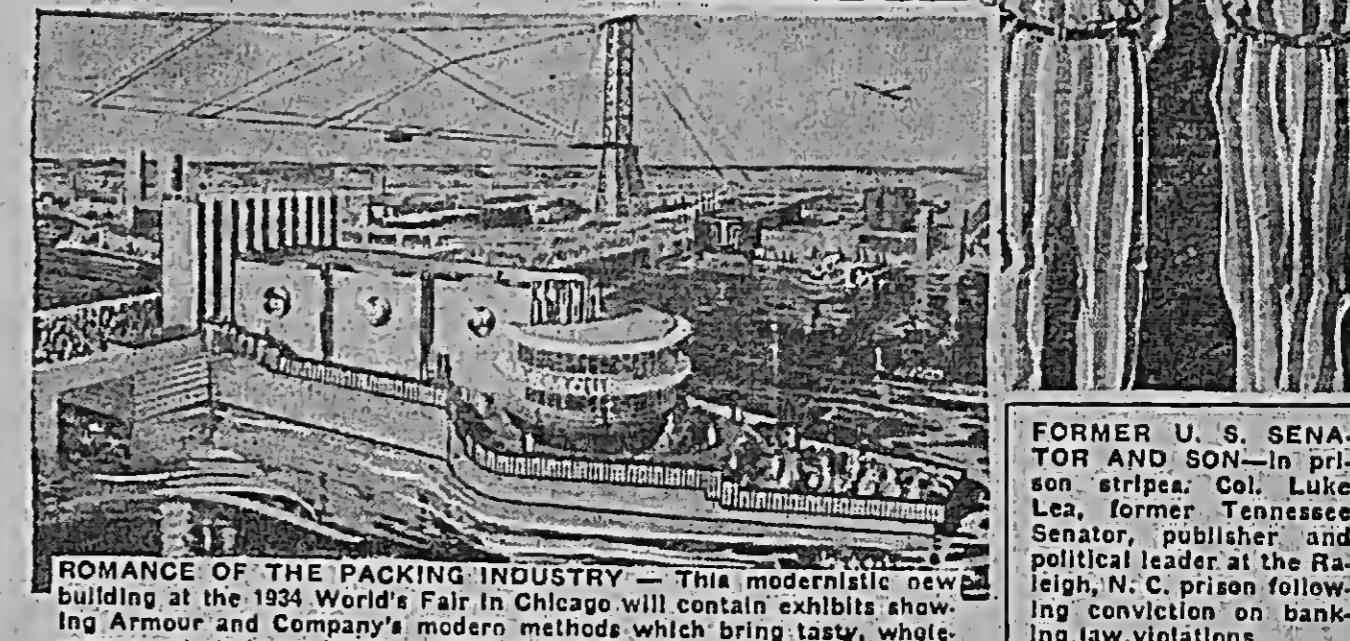

MARIE DRESSLER, beloved volumn of the stage and the screen, goes in for a bit of bicycling and gets as much fun out of it as any Wampus Baby.

NON-STOP TO ROME—George R. Pond, (right) former Navy flier and Cesare Sabelli, (left) started the trans-Atlantic flight season when they took off from Floyd Bennett field for trip to Rome, 4600 miles away, and landed in Moy, Ireland.

BONURA MAKES GOOD—New first baseman of the Chicago White Sox lines them out.

ROMANCE OF THE PACKING INDUSTRY—This modernistic new building at the 1934 World's Fair in Chicago will contain exhibits showing Armour and Company's modern methods which bring tasty, wholesome meats to every section of the United States.

FORMER U. S. SENATOR AND SON—In prison, stripes: Col. Luke Lea, former Tennessee Senator, publisher and political leader at the Raleigh, N. C. prison following conviction on banking law violations.

Well Done

Young wife: "I got a beautiful parchment diploma from the cooking college today, and I've cooked this for you. Now, guess what it is."

Husband (with a slab of omelet between his teeth): "The diploma."

Easy Money

Uncle (to his little niece): "I'll give you a nickel for a kiss."

Niece: "No, thank you, I can make more money taking castor oil."

Getting the baby to sleep is hardest when she is about eighteen years old.

Frogs and Toads

The intimate association of frogs and toads with water earned for them a reputation among primitive peoples as custodians of rain.
